Please include the following Q & A about SCAP in your bulletin: **“What is the Liturgy of the Hours?”** The Liturgy of the Hours has since ancient times been the Church’s way of “Praying without ceasing.” In union with Christ, the Church offers her prayers of praise and petition to God the Father for the salvation of the world (BILOH 2). “The purpose of the liturgy of the hours is to sanctify the day and the whole range of human activity.” (GILOH 11). The SCAP is always to be celebrated with one of the chief offices: Morning or Evening Prayer. The Liturgy of the Hours belongs to the “whole Body of the Church” and is never a private affair (GILOH 20). It is the daily prayer of the Church in which all people – priests, deacons, religious, and the laity – gather in one heart and mind to give praise to God. The fact that the ritual book for SCAP places the Liturgy of the Hours first in the order of permitted forms of celebration suggests it is the preferred form of celebration for SCAP services with the Sunday assembly. The vigil is in response to the execution scheduled for 12:01 the following day. The public is invited to join this vigil to end the practice of State-sponsored killing. (POC: Dee Rowland, 801.328.8641 x 336)

**Tribunal:** The USCCB has published an informational document in the form of questions and answers about canon law regarding abuse cases regarding clergy who are accused of sexual abuse of minors. The document discusses the history of laws surrounding abuse cases, penalties the Church can apply to an offending priest, the trial process, and the issue of secrecy in the proceedings. A copy of this document is available at [www.usccb.org/comm/q&a-canonical-process-sexual-abuse.pdf](http://www.usccb.org/comm/q&a-canonical-process-sexual-abuse.pdf) or [www.dioslc.org](http://www.dioslc.org)
