

ACCREDITATION

Catholic elementary/middle and secondary schools are to meet standards and requirements issued for non-public schools by the State of Utah and the Utah State Board of Education as applicable to the Catholic Schools.

Catholic schools are to be accredited by the Western Catholic Education Association. Annual reports are to be submitted to the Catholic Schools Office for review and signature according to the date indicated on the Catholic Schools calendar.

Feedback about the status of the accreditation will be provided to the principals by the Catholic Schools Office.

Dual accreditation with the Northwest Association of Accredited Schools (NAAS) is held by the secondary schools. At the elementary level, the dual accreditation is optional.
