

GRADUATION

Minimal Competencies for Graduation

Eighth grade and high school students must successfully demonstrate that they have met the standards for completion of course requirements.

Graduation Exercises

While participation in graduation exercises is a privilege and not a right, it is to be presumed that all students who successfully complete the prescribed course of study as required by the Diocese of Salt Lake City and the State of Utah, and meet the other general requirements of a Catholic school, will participate in the ceremony.

Only for the most serious reasons may a student be excluded from graduation ceremonies. This decision may be made only by the principal of the school after consultation with the superintendent. Parent(s)/guardian(s) and student will be informed of the decision.

Graduation ceremonies should be simple and dignified.
