

STUDENT CUMULATIVE RECORDS

Full and accurate cumulative records of each student's attendance and academic progress are kept on file permanently. Only authorized personnel may have access to these records.

Access to Records

Parent(s)/guardian(s) wishing to see their children's cumulative records should request an appointment. Such arrangement insures that a qualified person will be available to answer questions and interpret the recorded data. Each school shall adopt procedures for the granting of requests by parent(s)/guardian(s) to inspect and review records during regular school hours. Access shall be granted no later than five days following the date of request.

Non-Custodial Parents

Each school abides by the provisions of the Buckley Amendment and Utah law to the extent they may apply with respect to the rights of non-custodial parents. In the absence of a court order to the contrary, the school will provide the non-custodial parent with access to the academic records and to other school-related information regarding the student. If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order. This is kept in the cumulative record.

Privacy of Student Records

Apart from the above provision, the school shall not give any personal information to any person unless the person is one of the following:

1. Parent and/or guardian
2. Parent /guardian of an 18 year old pupil who is a dependent as defined in Section 152 of the Internal Revenue Code of 1954
3. Persons permitted access to pupil records by parent(s)/guardian(s)' written Consent
4. Diocesan school officials and school administration
5. Federal, state, and local education officials when the information is necessary to counsel or evaluate programs that are publicly funded (such as public officials when the law specifically requires that such information be reported to them)

A record must be kept showing who has accessed the individual student file other than teacher and administration. Each school shall determine the procedure for this information.

Transfer of Records

When a pupil transfers from one school to another a student withdrawal slip is issued and the school from which the student transfers keeps the permanent record and sends the following to the new school and gives a copy to parent(s)/guardian(s) if requested:

1. Original health records
2. Copy of transcript of grades
3. A copy of test results
4. Attendance records

The student's permanent record must contain the date and reason for the transfer. The date of transfer should also be recorded in the school's attendance register.

A reasonable charge may be made for a transcript, not to exceed the actual cost of furnishing copies of pupil records.

Confidential reports from an agency or professional individual, such as a resource teacher or psychologist, should be filed separately from the cumulative records. These reports may not be transferred with other student records without the written permission of the parent(s)/guardian(s) and, in the case of an outside agency, of the responsible agency. (Example: IEP, psychological test data)

No school may withhold records for lack of tuition payments.
