

CATHOLIC SCHOOL SYSTEM

The Catholic Schools in the Diocese of Salt Lake City are part of the educational ministry of the Bishop of the diocese. Together, the schools exist as part of a system under the direction of the Superintendent of the Catholic Schools. The Diocesan Catholic School Board acts as a consultative body to the Catholic school superintendent on all matters concerning Catholic Schools.

School administrators work in collaboration with the Superintendent, the Associate Superintendent, and the Diocesan Catholic School Board to assure the Catholic identity of the schools, implementation of all policies and the quality of all programs.

Within the Catholic School System, each school is site based managed according to policies stated in the *Administrative Handbook*, the *Pastoral Directives of the Diocese of Salt Lake City* and government regulations to the extent that they may apply.

Because the schools form a system of Catholic education in the diocese, the good of the entire system must be considered in all areas where competition could adversely effect one or more of the schools within the system. Collaboration between and among the schools must guide all matters including but not limited to:

- Policy 1620, Calendar
- Policy 1320, Expansion or Elimination of School Programs
- Policy 2910, Transfer of Personnel
- Policy 3300, Student Discipline
- Policy 3510, Transfer of Students
- Policy 6720, Fund Raising
